

As many of you will know GiFT has become an important part of our church life. Over the last few years groups have met regularly to share fellowship and friendship. In each session we have looked at different aspects of our faith and learnt, shared, and prayed together. For many of those who have taken part in GiFT these groups have been really special and the time spent together has been hugely valued.

We very much want to continue with GiFT and so another cycle of GiFT will run between September 2017 and March 2018. We hope that many who have taken part before will want to do so again but also hope that others will take up this opportunity for fellowship and friendship.

This year's GiFT sessions will be focussed on *Jesus* and will use as a backdrop the wonderful *Jesus of Nazareth* series which starred Robert Powell. We will be

watching the whole of the film and alongside bible study, reflections and discussion will reflect on the importance of following Jesus in our lives today. If you would like to find out more about GiFT you can chat to one of the clergy.

As has happened over the last two years GiFT will take place in church and there will be both morning and evening sessions. The dates can be found on the back.

Some people may be a bit nervous about joining GiFT - a little unsure what to expect - but that very quickly goes and many have found it to be a really valuable and enriching experience.

If you would like to take part in GiFT this year it would be helpful if you could complete the form and return it to the Parish Office or to the box at the entrance to the church.

If you would like to take part in GiFT please fill in this form.
